Summer Assignment

Pick your favorite smart phone app and give a
10-15 min. demonstration

Tech Committee - Open Labs & House Calls – Statistics

1595 tech hours logged

15 open lab sessions this season

139 club members served

At least 12 Windows 7 Computers upgraded to
Windows 10

217 house calls made

Tech Committee - Open Labs & House calls – Financial Impact

Best Buy charges:

Best Buy's smallest documented fee is \$40
for PC tune-up

\$100 for computer diagnosis and repair

\$100 for OS installation

\$80 per house call in addition to their usual
charge for whatever service is required

Tech Committee - Open Labs & House Calls – Club Member Savings

139 club members X \$40 = \$5,560

12 OS installations X \$100 = \$1,200

217 house calls X \$120 = \$26,040

Total approximate Savings to Club Members >
\$32,800

5th Annual Photo Contest

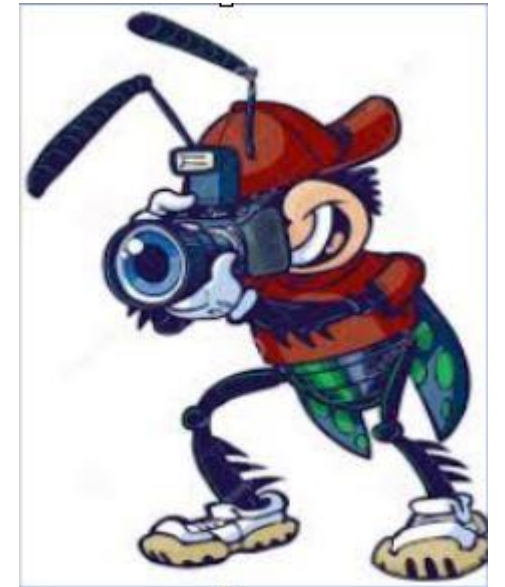

We, along with the Activity Office, funded another very successful Photo contest...

56 Photo Entries

Over 434 votes cast

You can see the results hanging in the annex

Second Major Prize
Giveaway...
\$2000.⁰⁰+ in prizes

As Well As...
23 Free Club Memberships
And
678.61 + in various door
prizes

Upgraded Lab 2 to increase student seating from 6 to 8-10 and converted it into a laptop only lab. Lab 2 has become the most popular lab for class and SIG use this season.

Upgraded WiFi system to vastly increase both upload and download speeds as well as extend WiFi service to nearly the entire central building.

Alyson generously agreed to replace the old, failing projectors in both labs with smart TV's. The enhanced connectivity and resolution will give us many more options in what we can offer for classes and SIG's in the future.

Capital Expenditures

Treasury balance at the
start of the season =
\$9,904.08

Capital Expenditures (Continued)

Income:

Membership = \$3870.00

Flash Drives = \$620.00

Would all the volunteers who previously stood stand again? If there's anybody I missed would you stand as well.

These are the people who have given their time and talent to make this club the largest and most successful park based computer club in the valley...

Let's show our appreciation one more time...

And last but certainly not least...

Thank Alyson and the front office and
Kimberly and the activity office for all
that they do to make this club
possible...

They Provide...

Ballroom space every Friday
Chair and table set-up for the meeting
Audio & Video capabilities for club meetings
Exclusive use of Labs 1&2
Use of the Hopi Room and the Apache Room
Access to the high speed internet connection

Gold nametags for 10 hour volunteers

Periodic supply of donuts and cake

Gift Baskets for the Photo contest winners

Dedicated wall space to display photo contest winners

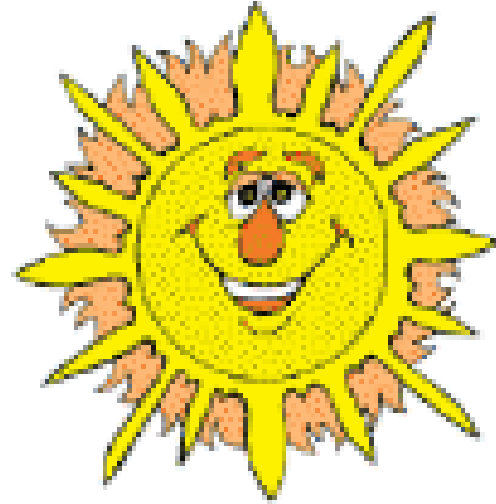

Carpeted and painted both labs

Provided smart TV's for both labs

Installed a motorized movie screen in the ballroom

And much, much more!

Have a Happy and a Safe
Summer...See you in the Fall!
