

Security Awareness

What do you believe?

I'm not important and No one is looking for me

I don't have anything anyone would want

I can't stop them even if I wanted to

What are we giving away?

Are you sure you want to block Power US Gear?

Power US Gear will no longer be able to:

- See your posts on your timeline
- Tag you
- Invite you to events or groups
- Start a conversation with you
- Add you as a friend

If you're friends, blocking Power US Gear will also unfriend him/her.

If you just want to limit what you share with Power or see less of him on Facebook, you can [take a break](#) from him instead.

Best Practice in Facebook

1. Block your advertising Posts you don't want
2. Don't like or share posts that are not from someone you know
3. In your Privacy Settings
change your Profile Posts privacy to "Friends" or "Friends of Friends"

Off Facebook Activity – turn off
it prevents apps from talking to each other

Check the Domain Name in the URL

Look at the name to the left of the last period (.) in the address – Do you recognize it?

Beware of advertisements on pages, known as 3rd party links. Stick to the main page

Always use the “Hover” technique before you click on a link

- ▶ When you place your mouse over an active link, the address will appear in another location on your screen giving an indication of where it is going. This also works on your phone with a long press
- ▶ This is not going where it says it is

- ▶ Parker Live
